

OBSCURA | THULCANDRA  
15 YEARS ANNIVERSARY **REALM OF OBSCURA**

„We would like to welcome you as our guests to celebrate the 15th anniversary of both Obscura and Thulcandra in our hometown Landshut. We invited our friends in Deserted Fear and Sektor alongside old band members and friends that supported both bands since the very early days in 2002 and 2003. We prepared a few nostalgic surprises and offer a free meet & greet at 19:30 for everyone. Since the venue “Alte Kaserne” closes its doors after the show quite immediately, we heavily recommend you to visit Landshut downtown (Altstadt) after the concert to share a drink with us at one of our beloved rock and metal hotspots: Schwarzer Hahn, Ostrich Bar, Vampire, Irish Pub, Rocket Club and Penny Lane. With guests from Singapore to Sweden and in between we are looking forward to celebrate 15 years of heavy music with you.“

Steffen Kummerer, Obscura & Thulcandra
